

## Realignment of Partners/Registered Events Form

(To be used by Directors or Registrars to submit the realignment of partners and/or registered events as the result of a withdrawal after the date Registrars have signed off on registrations. Use in conjunction with the Zone Withdrawal/Replacement Form)

This form should be used if a withdrawal results in a need to make changes to the events in which a player is entered.

There can only be a change of names in the events which already have entrants listed: **you cannot add a new event.**

**Please print:**
