

# ACCREDITATION PACKAGE PICKUP REGISTERED PARTICIPANTS

Last revised May 2019

If unable to attend in person, participants must arrange to have their accreditation package picked up for them. A designated person may pick up a team's package, or a partner's package, or two individual's packages using the *Accreditation Package Pickup* form. The designated individual must show I.D. and sign for the package(s). Those not picked up will be classified as 'no shows'. 'No show' means that the participant will not be allowed to compete in the 55+ BC Games. (As per BCSGS General Rules Book). No participant will be allowed to participate without a Participant accreditation badge.

Participants picking up accreditation package(s) on behalf of other participants must present this form and identification to the on duty BCSGS Rules Committee person located at the Corrections table in the Participant Accreditation Centre. Top section remains at the sport table, remove bottom section and provide to your Zone table.

Name of Rules Committee person authorizing pickup: \_\_\_\_\_

Signature of Rules Committee person authorizing pickup: \_\_\_\_\_

Sport: \_\_\_\_\_ Event: \_\_\_\_\_

Name(s) of partner, two individuals or team members (can only pick up for partner or team members):
